

Vascular Technology Program Outcomes 2020-2022

The Vascular Technology (VT) program is programmatically accredited through the Commission on Accreditation of Allied Health Education Programs (CAAHEP), upon review of the Joint Review Committee on Education in Diagnostic Medical Sonography (JRC-DMS). Feedback from industry affiliates confirms the VT program not only meets the bar established by CAAHEP, but also produces graduates ready to work in any hospital or clinical lab setting with minimal orientation or instruction. Information on program accreditation can be found at www.caahep.org. The following metrics reflect the program outcomes as reported to CAAHEP:

Credentialing success, exams taken and passed with first year of completion.

	2020	2021	2022
ARDMS Pass rate for Sonography Physics and Instrumentation	100% (20/20)	100% (20/20)	100% (13/13)
ARDMS/CCI pass rate for Vascular Technology/Vascular Specialist	100% (20/20)	100% (20/20)	100% (12/12)
Placement			
Employment within first 6 months of graduation.	100% (20/20)	100% (20/20)	86% (12/14)
Retention/Attrition			
Retention	72%	76.9%	70%
Attrition	28%	23.1%	30%

One graduate from the Class of 2022 is continuing education, and as a result is not employed in the field of Vascular Technology. Another did not report back to verify employment.

Document created 4/14/2022.

Class of 2023 will be reported after January 2024.
